MEMORANDUM FOR THE RECORD

Following are the requirements for the DCI's briefing of the Vinson Committee at 9 a.m. on Tuesday, 4 August:

1. A brief paper on the dynamic nature of Soviet military programs with small number of selective photographs from   as illustrative of the vitality of the Soviet program. (DCI does not need full text; he needs notes and examples and will want Lundahl to display the photographs and answer questions - not brief.) 
2. A current situation roundup on South Vietnam and Laos - emphasis on current situation, current trends, and outlook for the immediate future. (DCI suggests Cline present this.) 
3. A current situation report on Cyprus with particular emphasis on the positions and proposals by the Greeks, Turks, and Cypriots. (DCI will present this item. He will need background notes and a map based largely on ) 
4. A current situation report on the Middle East emphasizing the Arab-Israeli arms race, the current position of Jordan, Saudi Arabia, and the situation in the Yemen. (Cline should be prepared to present this item.) 
5. Current status of the OXCART project. (DCI will present this item. He will need a briefing paper.) 
6. Cuba, with primary emphasis on the possibility of a U-2 shoot-down; secondary emphasis on the status of Soviet forces, also briefing material on the situation on the island and subversive activities in Latin America. (DCI will present this item and will need current briefing notes.) 

A courier will leave Washington about 5 o'clock on Sunday and as much material as can be prepared in advance should be ready to go to the West Coast for the DCI's study at this time. The rest of the material should be ready no later than 9 o'clock on Monday night for the DCI's study on his return to Washington.

In any event, there will almost certainly be a meeting at 7:30 Tuesday morning of the people involved in the briefing for Mr. Vinson.

If there are any other suggestions either from the Agency or the Committee, please advise this office.
